

Job Description: Ambulance Crew

The Ambulance Crew are responsible for the transportation of non-emergency and emergency, ambulant, non-ambulant, patients who require hospitalisation and a responsive level of care and assistance. This may include providing emergency aid, where appropriate in the interim journey or monitoring the patient for signs of deterioration during their journey to hospital .

Main duties and responsibilities

- Manage the incident and ensure the continuing safety of themselves, bystanders and the casualty
- Assess casualties and find out the nature & cause of their injuries
- Arrange for further medical help or other emergency services to attend where appropriate
- Prioritise casualties based upon medical need
- Provide appropriate first aid treatment as trained
- Provide a handover when further medical help arrives
- Complete documentation as required both for clinical care and for operational purposes.
- Abide by QML policies/procedures and protocols
- To transport and attend to patients and service users within the care of Quad Medical Limited
- To ensure that the ambulance vehicle and its equipment and consumable stock is in operational readiness at all times and to report any defects immediately to your line manager.
- To actively participate in stringent cleaning routines on vehicles, equipment and areas of the garaging facilities to ensure effective infection control standards, adhering to post patient and daily cleaning routines.
- To be accountable for vehicle checks in accordance with the vehicle check procedure.

- To observe and abide by QML policies and procedures at all times, maintaining a professional approach and maintaining the reputation of QML.
- To provide treatment up to the post holder's ability and competence
- To be aware of the patient's social and environmental condition and report any matters of concern to the appropriate person or body.
- To undertake all work in a flexible and accommodating manner to ensure all work streams are covered.
- To actively engage in CPD events.
- To drive ambulance vehicles in emergency / non-emergency situations, legally and in accordance with the driving policy while demonstrating consideration for the comfort and safety of the patient, vehicle sympathy and showing consideration for other road users.
- An Ambulance crew's overall aim should be to preserve life until the patient is handed over to the appropriate services. Other aims include preventing the worsening of the patient's condition and to promote recovery.
